How the course works

**English for Everyone** is designed for people who want to teach themselves the English language. Like all language courses, it covers the core skills: grammar, vocabulary, pronunciation, listening, speaking, reading, and writing. Unlike in other courses, the skills are taught and practiced as visually as possible, using images and graphics to help you understand and remember. The best way to learn is to work through the book in order, making full use of the audio available on the website and app. Turn to the practice book at the end of each unit to reinforce your learning with additional exercises.

**Unit number** The book is divided into units. The unit number helps you keep track of your progress.

**Learning points** Every unit begins with a summary of the key learning points.

**Language learning** Modules with colored backgrounds teach new vocabulary and grammar. Study these carefully before moving on to the exercises.

**Modules** Each unit is broken down into modules, which should be done in order. You can take a break from learning after completing any module.

**Audio support** Most modules have supporting audio recordings of native English speakers to help you improve your speaking and listening skills.

**Exercises** Modules with white backgrounds contain exercises that help you practice your new skills to reinforce learning.

**FREE AUDIO**

Language modules

New language points are taught in carefully graded stages, starting with a simple explanation of when they are used, then offering further examples of common usage, and a detailed breakdown of how key constructions are formed.

**Module number** Every module is identified with a unique number, so you can track your progress and easily locate any related audio.

**Module heading** The teaching topic appears here, along with a brief introduction.

**Sample language** New language points are introduced in context. Colored highlights make new constructions easy to spot, and annotations explain them.

**Graphic guide** Clear, simple visuals help to explain the meaning of new language forms and when to use them, and also act as an aid to learning and recall.

**Supporting audio** This symbol indicates that the model sentences featured in the module are available as audio recordings.

**Formation guide** Visual guides break down English grammar into its simplest parts, showing you how to recreate even complex formations.

**Vocabulary** Throughout the book, vocabulary modules list the most common and useful English words and phrases, with visual cues to help you remember them.

**Write-on lines** You are encouraged to write your own translations of English words to create your own reference pages.
Practice modules

Each exercise is carefully graded to drill and test the language taught in the corresponding course book units. Working through the exercises alongside the course book will help you remember what you have learned and become more fluent. Every exercise is introduced with a symbol to indicate which skill is being practiced.

**Module number** Every module is identified with a unique number, so you can easily locate answers and related audio.

**Exercise instruction** Every exercise is introduced with a brief instruction, telling you what you need to do.

**Sample answer** The first question of each exercise is answered for you, to help make the task easy to understand.

**Space for writing** You are encouraged to write your answers in the book for future reference.

**Supporting graphics** Visual cues are given to help you understand the exercises.

**Supporting audio** This symbol shows that the answers to the exercise are available as audio tracks. Listen to them after completing the exercise.

**Listening exercise** This symbol indicates that you should listen to an audio track in order to answer the questions in the exercise.

**Speaking exercise** This symbol indicates that you should say your answers out loud, then compare them to model recordings included in your audio files.
Audio

English for Everyone features extensive supporting audio materials. You are encouraged to use them as much as you can, to improve your understanding of spoken English, and to make your own accent and pronunciation more natural. Each file can be played, paused, and repeated as often as you like, until you are confident you understand what has been said.

LISTENING EXERCISES
This symbol indicates that you should listen to an audio track in order to answer the questions in the exercise.

SUPPORTING AUDIO
This symbol indicates that extra audio material is available for you to listen to after completing the module.

Track your progress

The course is designed to make it easy to monitor your progress, with regular summary and review modules. Answers are provided for every exercise, so you can see how well you have understood each teaching point.

Checklists Every unit ends with a checklist, where you can check off the new skills you have learned.

Review modules At the end of a group of units, you will find a more detailed review module, summarizing the language you have learned.

Check boxes Use these boxes to mark the skills you feel comfortable with. Go back and review anything you feel you need to practice further.

Answers Find the answers to every exercise printed at the back of the book.

Exercise numbers Match these numbers to the unique identifier at the top-left corner of each exercise.

Audio This symbol indicates that the answers can also be listened to.
You can greet people by saying “Hello!” or “Hi!” Introduce yourself using “I am.” You may also need to spell out the letters of your name.

### 1.1 KEY LANGUAGE SAYING YOUR NAME

There are different ways of greeting someone and introducing yourself.

**Hello! I am Lyla.**

You can use “I am” plus your name to introduce yourself.

**Hi! My name is Joe.**

You can also use “my name is” plus your name to introduce yourself.

### 1.2 OTHER WAYS TO SAY YOUR NAME

In conversational English, speakers often use contractions. These are shortened versions of pairs of words.

**I am Lyla.**

You can contract “I am” to “I’m.”

**My name is Joe.**

You can contract “name is” to “name’s.”

### 1.3 HOW TO FORM SAYING YOUR NAME

Use a capital letter at the start of a name.

<table>
<thead>
<tr>
