Who Was Walt Disney?

Walt Disney liked being the class clown. He once said that he would do anything for attention. His schoolmates in Marceline, Missouri, loved his performances.

Once he caught a field mouse and made a leash for it out of string. He waltzed into class and paraded his new pet around the room.

Somebody saw the little critter and screamed. Walt's teacher marched right over, put an end to the mischief, and punished Walt. But he didn't care. He and his mouse were famous for a day.

Walt Disney didn't know it then. But one day another mouse — one named Mickey — would make him famous all over the world.
